Dear Fifth Graders,

As you know, fifth grade students put together our fabulous yearbook each year, this year it is your turn! As part of the yearbook committee, you will have input on the yearbook theme, designing the front and back cover, and you will put together the collage pages. You may even get to try out your photography skills!

This year, we are asking that you get a recommendation from your fifth grade teacher. Please fill out the attached form and give it to your teacher. She will fill it out and give it directly to Mrs. Sebree (Yearbook Coordinator). The deadline for recommendation is Friday, October 13th.

Yearbook meetings will begin in October and run through March. The meetings will be held on Friday afternoons from 3:00-4:15 in the Baldwin Computer Lab. As a member of the yearbook committee you will be expected to ATTEND ALL MEETINGS – so please only apply if you are truly committed and available. We also expect that all yearbook members continue to complete their nightly homework demonstrating to us your responsibility and dedication. If this becomes an issue, you will be asked to step down from the committee.

Space is limited—we will be selecting up to 20 fifth grade students. Please fill out the attached application and return it to your classroom teacher by Friday, October 13th.

Thank you! I look forward to working with you on a great 2017-2018 John Baldwin yearbook!

Mrs. Sebree

Yearbook Coordinator
